Killing Frost Slips In On Glades; Kills Beans & Corn

An unexpected frost Saturday morning did an untold amount of damage to tender vegetable crops and cane in the Glades. Estimates of damage range from 25 percent to 90 percent on the corn crops and about the same amount on green beans.

Growers were all set for one of the biggest spring crops in the history of this section when the sneak frost took its toll. Corn had been planted in heavy quantities and harvest of it would have started in the next few weeks. The frost, however, put a quick end to the possibilities of a bountiful spring crop. Beans suffered a like catastrophe.

Sugar cane suffered a severe setback from the killing frost. At the Okeelanta plantation south of South Bay on US27 the cane harvest had been completed and the young growth on the cane suffered severely from the cold. Areas of the young growth up to 90 percent were severely damaged at Okeelanta. Young cane just coming up for the first time and cane in its new growth stage after harvest on the plantations of the U. S. Sugar Corporation also suffered heavy damage. Rough estimates show that between 70 percent and 80 percent of the young tender cane was damaged. It will come out in plenty of time for next year's crop.

Short Hand Course Will Start Monday

A course for adults in Beginning Gregg Shorthand will be offered at the Pahokee High School beginning Monday evening, March 20, at 7:00 p. m.

This instruction will be offered by the Palm Beach County Vocational Department in cooperation with Brooks Henderson, Principal of Pahokee High School, according to Kenneth F. Johnson, Director of Vocational Education for the county.

Classes will meet Monday and Wednesday from 7:00 to 10. There is no tuition fee; however, there is a small registration fee and students must furnish their own supplies.

Adults 16 years of age or over who are not regularly enrolled in high school may enroll. Classes are tentative to a minimum enrollment of 15 persons.

Those persons interested in this instruction are requested to register at the Pahokee High School at 7:00 Monday evening, March 20.

GOES TO TALLAHASSEE

Mrs. B. Elliott, of Lake Worth, left Wednesday for Tallahassee to take a position in the Public Relations Department of the forthcoming State Legislature. While here she was the house guest of her son-in-law and daughter Mr. and Mrs. Lee Wroten and family.

Mr. and Mrs. Glenn Andrews were the weekend guests of their sons and families, Mr. and Mrs. James Andrews in West Palm Beach and Mr. and Mrs. Dewitt Andrews in Lake Worth.

New Junior High For Belle Glade

Thurmond W. Knight, chairman, County School Board, announces plans for construction of a new Junior High School which is to serve the Belle Glade-South Bay area.

The Board instructed its attorney to proceed in securing a 20-acre tract located directly north of the present High School building. Plans are that the first phase will cost approximately \$100,000 and will include six new classrooms, toilets, storage facilities and passageways.

Chester A. Cone, Belle Glade architect, will be in charge of construction.

Belle Glade May Get New Hospital

A preliminary report of the inspection of the Belle Glade Memorial Hospital made on Tuesday, March 7, 1961, by Dr. Peter D. Ward, Field Representative of the Joint Commission on Accreditation of Hospitals, was issued by the Southwestern Palm Beach County Public Hospital Board. When the final report is received it will be released to the public.

Dr. Ward stated that he had found a clean, well run hospital and had praised the Board of Trustees for their efforts and foresight in having provided a good hospital for the people of this area.

Dr. Ward stated that because of the physical plan he did not think we could receive accreditation for one year, some of the reasons being, that the building had wood floors, that the operating, delivery and labor room were together in one section instead of being separated, that the kitchen area was not large enough, that more space was needed for the Laboratory and X-ray facilities and because of the overcrowding that was caused by the number of patients that needed hospitalization and treatment.

Dr. Ward recommended that an entirely new hospital be built and the present building be turned into a place for chronic and convalescent patients and as a home for elderly people.

Dr. Faust Durden Has Fatal Attack

Dr. Faust Durden, 37, suffered a fatal heart attack last Thursday at his home in Gainesville, Georgia. He lived only a few hours after the attack and passed away at 5:30 that afternoon in the Gainesville hospital. Funeral services were held Saturday.

Dr. Durden was the husband of the former Miss Louise Sims of Canal Point. She is the daughter of Mrs. C. Lawton Sims of Athens, Ga., and the late Mr. Sims, who died here in Canal Point from a severe attack a few years ago.

Rardin Honored By State-Wide Group

County Commissioner Paul Rardin was distinctly honored at the first of the week meeting of the State Association of County Commissioners in Tallahassee when he was presented a gold plaque commending his service as president of that association in 1961.

The plaque was appropriately presented by the present president of the Association, Hon. Tom Smith of Gadsden County, at the banquet on Monday night. Engraved on the plaque is the following:

Presented to
Honorable Paul Rardin
of
Palm Beach County
In Recognition of His
Outstanding Service As
PRESIDENT
of the
State Association
of
County Commissioners
of Florida
1961

High School Band Will Be Judged

The district Contest for the Pahokee High School Band as a complete unit is scheduled for Thursday, March 23rd, from 3 to 4 p. m., with the concert and sight-reading phases of the contest to take place in the auditorium and the marching on the old athletic field. Sandra Lampi will also be judged as Student Conductor. The public is invited to attend both concert music and the marching.

Judges for this part of the District Contest will be O. J. Kraushaar, University of Miami; Stefan Jones, Allapattah Junior High School and Paul Gustaf, Sebring High School.

4-H Program Held At Mounts Building

4-H County Demonstration Day was held at the Mounts Agricultural Building, West Palm Beach, Saturday, March 11. This event climaxed National 4-H Club Week. It was attended by 100, 4-H club members, leaders and parents. Winners received official 4-H Record Book covers and are eligible to participate in the 4-H District Demonstration Day to be held at Fort Lauderdale, Saturday, March 18.

Bread - making demonstration winners were: Janette Harrington of Canal Point with an individual demonstration on Cinnamon Rolls; Barbara Gunderson and Sharon Small of Lake Worth with a team demonstration on Orange Bread. Dairy Foods demonstration winners were: Lodus Gray of Canal Point with an individual demonstration on Pineapple and Cottage Cheese Salad; Kathy Simmons and Nancy Carlin of Lake Worth with a team demonstration on Tropical Freeze.

Public Speaking Contest winners were: Donna Curry of Lake Worth, Senior Division on "Are We Abiding Citizens?"; John Vallee, (continued on page 8)

Magistrate's Court Is To Be Set Up For The Glades

Chuck's Ice Service Open At Market

Charles Stringari this week announces the opening of the new truck icing plant adjoining the Farmers Market on Farmers Market Road. The plant was recently constructed by City Ice and Fuel Company at a cost of around \$10,000. The new operation under Mr. Stringari will be known as Chuck's Ice Service.

Pahokee Lions For Four-Laning US441

There has been a great deal of controversy about the proposed four-laning of US441 through a section of Pahokee. The Garden Club has gone on record as opposing the move and now comes the Pahokee Lions Club in open meeting and endorses the proposal.

A few weeks ago the Pahokee Garden Club sent to the State Road Department in Fort Lauderdale their petition opposing the construction of the four-lane road through Pahokee because it would ruin many plantings, trees and shrubbery.

At Tuesday's meeting of the Pahokee Lions club it was voted in open meeting to support the proposal made by the city council many months ago when that group asked the road department for a survey on the plan. The Lions adopted a resolution and it will be forwarded to the State Road Department.

The survey has been made by the Road Department and within the next few months they should have a right-of-way map available showing one and all just where the proposed new highway would be constructed.

Band Members In District Contest

The annual District Band Contest for Soloists and ensembles of the Pahokee High School Band was held at the high school Tuesday, March 14th from 2 to 3 p. m.

Solo contests: Piano Wayne Hundley, Alice Hurt and Becky Grimes all made Superior. Flute: David Beede, superior. Woodwind Quintet: Patsy Keene, clarinet; David Beede, flute; Sandra Lampi, oboe; Pam Boe, bassoon; and Martha Sellers, French Horn. This quintet made superior. Also Lamar Williams made a superior rating on his snare drum solo.

The contestants judged Excellent were: Dorothy Batchelor, baton twirling; Becky Grimes, alto saxophone and the woodwind trio; Sue Bower, clarinet; Tammy Branch, flute and Diane Whiteside, oboe.

Thomas Bishop, band director at Lake Wales High School judged the solos and ensembles.

Since abolition of the offices of constable and justice of the peace in Palm Beach county the Glades section has been at a disadvantage and now something is to be done about it. A Magistrate's Court will be created by the State Legislature, according to State Representative Emmett S. Roberts, who said yesterday that the bill is ready for introduction early in the upcoming session of the legislature.

The magistrate will be a committing magistrate and he will be authorized by law to sign warrants and try misdemeanors if there is a waiver of jury. If there is no waiver of jury then it will be necessary for the trial to be held in West Palm Beach.

All civil actions and procedures have been eliminated from the bill creating the magistrate's court and these items will continue to be handled by the Small Claims Court, as it is presently set up with F. A. Currie as judge.

Salary of the Magistrate will be \$5,000 annually, according to the new bill and he must necessarily be an attorney. He will preside over court in the Glades Office Building. Plans call for holding Magistrate's Court in the present auditorium have been completed. Certain days of the week will be assigned to the new court and the Small Claims Court and other civic and growers groups using the auditorium will adjust their meetings accordingly.

Easter Services Planned Pahokee

Easter Sunrise services in Pahokee will be held on the foot ball field under the auspices of the Pahokee Ministerial Association. Rev. T. C. O'Steen of the First Methodist church was elected president of the group and announced that the Easter sermon will be delivered by Dr. B. A. Bowers, interim pastor at the First Baptist Church in Pahokee.

Five Pahokee ministers will take part in the services. They will be joined in holding the service by members of the Garden Club, the police department, several lay groups and high school students.

Mrs. Lena Bunn Dies From Heart Attack

Mrs. Lucy Batchelor received word of the fatal heart attack of her sister, Mrs. Lena Bunn, March 7th in Columbus, Ga. Mrs. Batchelor's recent illness prevented her from attending the funeral which was held Thursday in that city.

Mrs. Bunn has been a visitor in Pahokee many times and as recent as January of this year, guest of her sister and her nieces, Mrs. C. A. Batchelor and Mrs. Robert Walker and families. She will also be remembered by her many friends in this area.

Mr. and Mrs. Donald Hand and family of Orlando were the weekend guests of his mother Mrs. Lesly Hand.

Abney Cox Denies Words By Senator

J. Abney Cox, Princeton grower and director of the Florida Fruit and Vegetable Association today objected vigorously to statements attributed to him by Senator Harrison Williams, who spoke on the television program "Face the Nation" last night.

Cox said that the impression given by Senator Williams that he had given his personal unqualified support of Senator Williams entire legislative program was both erroneous and in direct contrast with his views.

"I have testified to the need for reasonable housing loans for farm labor but I did not endorse any specific bill. I favored the idea that local communities that are temporarily burdened by the influx of large numbers of migrant workers' children would benefit from some type of financial aid to alleviate the strain on the teaching staff and school facilities but I did not endorse the measure that has been introduced by Senator Williams."

"In fact I am in opposition to all of Senator Williams' legislative proposals that would impose additional Federal controls on farm workers and farmers," Cox stated.

THEY STUDY SPANISH

Mrs. Charles D. Stewart, Mrs. F. F. Burr and Mr. and Mrs. Enokles Henderson are enrolled in the special Conversational Spanish Class which meets in the Pahokee High School each Monday evening.

Conner Announces State Services

TALLAHASSEE—A regional office, making facilities and services of the Department of Agriculture more readily available to the people in Southeast Florida, will be opened in Miami this month, according to Commissioner of Agriculture Doyle Conner.

Conner said a special office was needed in that fast-growing population center to keep up with increasing demands for departmental services. Pointing out some of these needs, Conner said:

"In 1950, inspectors in Dade County spot checked and drew samples representing 2,792,000 pounds of poultry. Ten years later, in 1960, that figure had grown to 50,925,000 pounds.

"Our egg inspectors tested samples from 119,556 cases of eggs in 1950. Last year they drew samples from 1,460,000 cases. With 30 dozen eggs to the case, that represents 525,600,000 eggs used in Dade County alone last year. Wholesale establishments handling poultry and eggs in Dade County have doubled in the past 10 years."

Conner added that poultry and egg inspections represent just one phase of work done by the Department in that area, and that Dade is not the only large county in the area.

"For example, in January 1961, 45,296,141 gallons of gasoline were sold in Dade, Broward and Palm Beach counties. During the same month in 1951, only 21 million gallons were sold. Our gasoline inspectors check wholesale and retail outlets for gasoline and petroleum products. They check these products for quality and check all measuring devices, including filling station pumps and tank trucks, for correct measurement."

Jack Horner New Member Flood Board

Robert R. (Jack) Horner, appointed to the Central and Southern Florida Flood Control District Governing Board by Governor C. Farris Bryant on March 7, was sworn in and took his place on the Board at its regular monthly meeting March 9.

Mr. Horner was born in Cincinnati in 1923. He studied civil engineering at the University of Hawaii, and later graduated from the United States Military Academy at West Point in 1945.

At West Point he was commissioned an officer pilot in the U. S. Air Force, from which he resigned in 1950. He received a Bachelor of Science degree in engineering at the Military Academy.

He took up residence in Palm Beach in 1950, and is an executive of the Boynton Landscape Company. He is married and has two children, and is a past president of the West Palm Beach Junior Chamber of Commerce. He was awarded the Distinguished Service Award by the Jaycees in 1954. Mr. Horner was a member of the Palm Beach County Board of Public Instruction from January 1957 to January 1961.

New Rules Apply On State Turnpike

TAMPA—The chairman of the Florida State Turnpike Authority has announced that turnpike regulations have been amended to authorize U-Turns at all three service plazas along the Sunshine State Parkway.

Chairman John Hammer, in making the announcement at the turnpike headquarters in Tampa, said his office had received numerous requests from businessmen and groups that would like to "meet-and-eat" at the restaurants in these plazas, then turn around and exit from the same toll station at which they entered.

Up to now, the only authorized U-Turn on the entire turnpike had to be made at the Palm Beach-Lake Worth service plaza.

Turnpike patrons desiring to use this new service must have their toll cards stamped by the waitresses at the service plazas for their U-Turn to be valid.

The three service plazas along the 108-mile turnpike are located at Palm Beach-Lake Worth, Pompano Beach and Stuart.

Used Land Areas To Be Made Useable

LAKELAND—The eight phosphate companies with mining operations in the Polk-East Hillsborough county area have joined in an industrywide program to speed up and expand their efforts at making mined-out land useful for housing, recreational or other purposes.

Adoption of this joint approach by the companies, composing the Florida Phosphate Council, was announced here by Arthur Crago, chairman of the council's land use and reclamation committee. He is manager of the American Cyanamid company's Florida phosphate operations.

"While the companies individually have undertaken a number of reclamation projects over the years, this is the first time they have joined, as a group, in an industrywide approach to a problem which has caused the industry as well as the public a great deal of concern," Crago said.

Mr. and Mrs. Joe Kelly of Ft. Pierce were recent guests of their son-in-law and daughter, Mr. and Mrs. J. V. Thomas, Jr.

FAMILY REUNION

Mr. and Mrs. L. M. Collins attended a family reunion at the home of her parents, Mr. and Mrs. F. J. Winchester in Sebring. The occasion was in honor of her brother and sister-in-law, Lt. Col. and Mrs. Robert Winchester, of Asper Air Force Base in Vandenberg, Cal.

NOTICE OF INTENTION TO REGISTER FICTITIOUS NAME

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

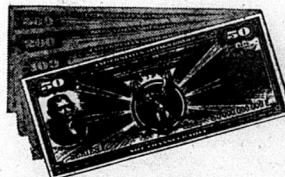

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

You save more than money
with U.S. Savings Bonds

Guests helping Mrs. Elliott celebrate the occasion were; Mr. and Mrs. Clinton Goodwin of Wis. Mrs. Jess Elliott's Mother, Mrs. Emma Wheeler of Lakeland and her grandson Mike Elliott.

County-Wide PTA To Elect Officers

The Palm Beach County Council of Parent-Teacher Association will hold its annual election of officers, Tuesday, March 21, at 8 p. m. The meeting will be held at the Northboro School with the Northboro PTA as hosts, according to Mrs. W. B. Pate, Council president.

The program will be the fourth of the series with the theme of "Family Assignments for the Sixties" and will deal with "Family Assignment-Cooperation" which is based on the Fourth Object of the National Congress of Parents and Teachers: "To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child."

A symposium moderated by Mrs. R. A. Hurley, School Education chairman of the Council and Principal of Central Elementary School will emphasize "PTA". The "P" standing for parents will be taken by Mrs. Amel George, Study Group chairman for the Council. "T" for teachers will be presented by Kenneth Carleton, President of the Classroom Teachers Association and Kathryn Cunningham, Vice president of the CTA. "A" for Administration will be represented by Felson Morris, President of County Administrators Association and Principal of Belle Glade High School.

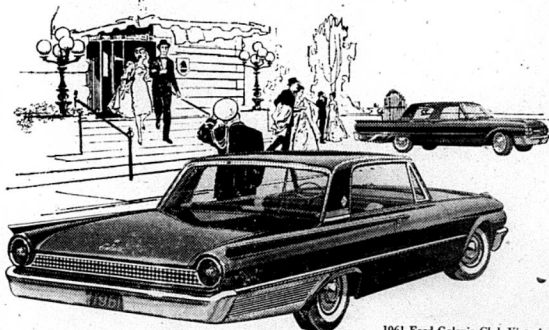

Mrs. Pate recommended that all local units urge their nine elected delegates attend the election meeting.

Mrs. Anna (Granny) Henderson will leave by plane from Miami for her home in Vanceburg, Ky. For the past three months she has been the house guest of her son and daughter-in-law, Mr. and Mrs. Brooks Henderson in Canal Point.

Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4442.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Week Of Prayer By Canal Point WMU

The Canal Point Baptist Woman's Missionary Union have been planning with prayer and purpose this week as they have observed the Week of Prayer for Home Missions, March 6 through March 10, under the direction of Mrs. D. P. Hughes, General Prayer Chairman of the WMU. The theme for the week was: "My prayer to God . . . that they might be saved" Scripture for the week: Romans 10: 1-5.

The interest center was created by Mrs. D. P. Hughes, and featured a table draped with a white sheet, and red and blue streamers attached. The streamer with a week's theme was mounted on cardboard above the table. A large Bible was placed in the center of the table, and daily, the theme placard was used that represented the program presented.

Mrs. M. C. Carter, of the Ione Patterson Circle, presented the program on Monday. Her topic was "How Shall They Call on Him." Mrs. S. A. Nall, of the Hannah Scoggin Circle presented the Tuesday program. Her topic was "How Shall They Believe?"

On Wednesday night Mrs. Charles Maxson and Mrs. A. T. Holt presented a playlet, "The Same Lord Over All."

On Thursday Mrs. J. E. Williams presented "How Shall They Hear?" On Thursday night, at 7 p. m. Mrs. Richard Heller, President of the Associational WMU presented an

interesting study of the mission book, "The dreamer cometh" the life story of Luther Rice. Filmstrips were shown, and Mrs. Heller was in costume as she presented the study. After the book study a social hour was enjoyed by all, and a gift was presented to Mrs. Heller from the WMU. Reverend Heller is a former Pastor of the Canal Point Baptist Church.

Mrs. R. T. Smith, of the Hannah Scoggin-Annie Jones Circle, presented the last program of the week on Friday night. Her theme was "Except they be sent" Mrs. D. P. Hughes made the receiving of the Annie Armstrong Offering a time of worship for all. At the close of each program, with all lights out, the head of Christ was featured, as meditation music filled the church, Mrs. Hughes had the ingathering of the Offering.

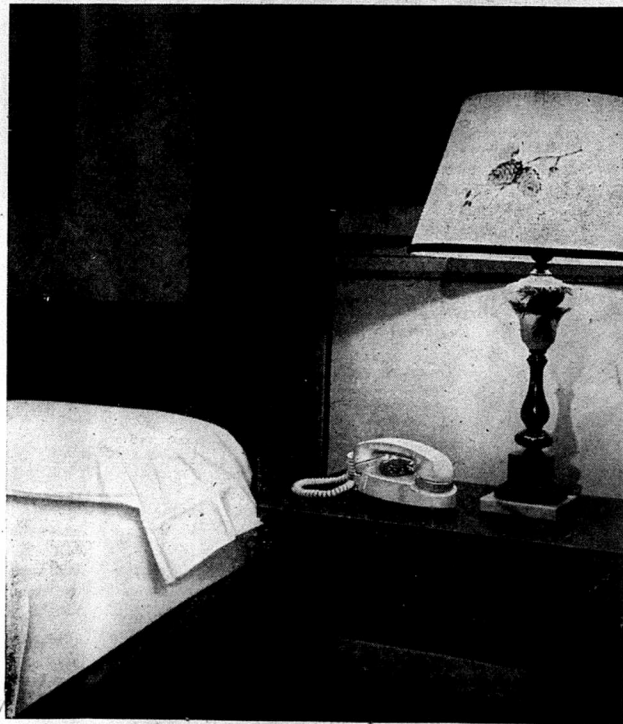

On Monday and Thursday, the Ione Patterson Circle was in charge of the programs, and on Tuesday, Wednesday, and Friday, the Hannah Scoggin-Annie Jones Circle presented the programs.

CARD OF THANKS

We wish to express our thanks to the many friends who were so kind and thoughtful during my wife's illness in the Hospital. We wish to also thank members of the Baptist Church of Canal Point and patrons of the Canal Point school.

Mr. and Mrs. Herbert Miller.

Mrs. Arnold Barad of West Palm Beach is the house guest of Mr. and Mrs. James Gibson.

Invitation
 to a
 good night's sleep, made even more serene and safe by the handy extension telephone beside your bed. Doctor, drugstore, police and firemen are as near as this lovely little Princess phone. All night long the dial glows softly in the dark — and lights up when you lift the receiver. The ring can be reduced to a murmur, then turned up again when your Princess gives you daytime convenience and privacy for calling. Comes in your choice of five decorator colors. Just call the Telephone business office to order one for your bedside.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

NEWS HEADLINERS

(By Paul Rardin, Real Estate Editor)

More vegetable land is going into sugar cane. Walter Schlechter has sold 2100 acres of muck for \$600,000 to the Florida Sugar Corp. The land is located near Six Mile Bend near Belle Glade and the sale was made by T. W. Knight.

Florida Sugar already has placed 200 acres in seed cane. Delivery of the remainder of the land will not be made until June 1, after vegetable crops now growing on it have been harvested.

But so fast is sugar activity in the Glades now, the land has actually changed hands a second time. Cuban-American Sugar has purchased controlling interest in Flo-

rida Sugar and thus in the land as well.

The purchase brought the company's holding in Palm Beach County to more than 6,000 acres. Plans call for all of this to be in production before Christmas.

Roughly 2,000 acres of cane are growing already and Cuban-American plans to grind its first Palm Beach County cane this fall.

A mill, shipped here from Louisiana, is being assembled near Belle Glade now.

About 1,500 tons of cane will be ground daily during initial operations. The mill will employ 175 persons and another 200 will find work in the fields.

Mrs. Wayne Elliott Honored At Coffee

Mrs. Lee Wroten, assisted by her sister-in-law, Mrs. Elmer E. Elliott entertained with a coffee, Saturday 3:30 p. m. at her home honoring, Mrs. Wayne Elliott, recent bride of her brother.

The table decorations carried out the Easter Theme in pastel colored Easter Eggs nestled in the green fern encircled silver service tray and flanked by white tapers in double candelabra.

Mrs. Larry Elliott, cousin of the hostess, poured to twenty-five guests who called in the afternoon.

Fattening Trial Field Day Friday

This is to remind the cattlemen of the Steer Fattening Trial Field Day to be held at the Everglades Experiment Station at 10:00 a. m. on Friday, March 17th.

OMIT SUNDAY SERVICE

The Canal Point Baptist Church will omit the evening worship services Sunday during the Revival which is being held in the Canal Point Methodist Church. The Training Union will meet at the usual time on Sunday evenings at 6:30 p. m.

Mrs. Mosley Again Head Woman's Club

The Pahokee Womens Club met March 8th in their Club Building, with Mrs. Billy Rae Mosley, President, presiding over the business session. Mrs. Glenn Powell, chairman of the nominating committee gave the report of their meeting, and the following officers were chosen for the coming year: President; Mrs. Billy Rae Mosley; Vice President: Mrs. M. P. Stanley; Second Vice President: Mrs. Glenn Powell; Recording Secretary, Mrs. Wiley Tillis; Corresponding Secretary, Mrs. Annette McCurdy; Treasurer, Mrs. Leon Spooner; Parliamentarian, Mrs. Frank Friend; Auditor, Mrs. M. I. Keene. Installation of officers will be in May.

The Club held its annual "Mad Hatters" program, in the form of a contest with members wearing hats of their own design and competing for prizes. Judges were: Mrs. E. L. Pope, Mrs. B. A. Bowers and Mrs. Lois Mullis. Mrs. C. B. Stringari was in charge of the program assisted by Mrs. Glenn Powell. Mrs. Horace Unwin won the prize for the most original. Mrs. Glenn Powell, the prettiest. Mrs. C. C. Lemon and Mrs. Jess Elliott tied for the zaniest and both received prizes. The door prize went to Mrs. Frank Tillis, donated by Mrs. John E. Wilson.

Announcement was made that the next meeting will be held in the Community Building at the Glades Park, with the Belle Glade Woman's Club as guests. Mrs. Stringari and Mrs. Powell will be in charge of the guest luncheon. Mrs. Alice Spooner will be in charge of the program, the motion picture "Can, Can," will be shown after the luncheon.

4-H Planning Held—

(continued from page 1)
West Palm Beach Senior Division on "The Value of a Public Speaking Project in 4-H," Teddy McCall of Canal Point on "4-H Achievement."

Share-the-Fun talent contest winner was: Linda Day of Lantana with her comedy act.

County Song (original words to a familiar tune) winner was Kathy Lawson of West Palm Beach.

Other demonstration winners were: Jane Drake, West Palm Beach, on individual demonstration—"Training and Caring for Your Pet;" Nancy and Kay Briggs of Lantana with a team demonstration on "Carrot and Pineapple Salad;" and Kenneth Stark of Lake Park with an individual demonstration on "Grading and Candling Eggs."

Other participants from the Glades area were:

Canal Point—Acrobatics, Josephine Young Song "Lollipop" (duet) Sands Thomas and Edna Allen.

Belle Glade—Lucky Clovers, Twirling duet, Catherine Smith and Pam Whitlock.

Belle Glade—Lucky Clovers, Tap dance, Gale Parker.

Belle Glade—Teenage, Original words to a familiar tune, Jill Chapman, Karen Harris, Sherrie Knight. Canal Point—Other demonstration, Tossed Salad, Peggy Bitting and Nancy Harrington.

Judges for the events were: Demonstrations—Mrs. Winifred Handwerker of West Palm Beach and Mrs. Emile Wassner of Lake Worth; Public Speaking—Charles Tucker, Assistant County Agent; and for Share-the-fun—Mrs. Louise Reynolds of West Palm Beach.

JUNIOR CHOIR TO SING

The Junior Choir of the Canal Point Baptist Church, under the direction of Mrs. F. F. Burr, will sing at the Morning Worship hour Sunday. The Junior Choir holds its regular weekly choir practice period each Friday Night.

Mrs. T. D. Mullin accompanied by her son Tom, Jr., Joe Ellen Brown and Annette Nix attended the Billy Graham Rally in Clewiston Monday evening.

John A. Dulany Hurt When Car Wrecked

John A. Dulany was seriously injured in a car accident early Thursday morning, on State Road 15 near Runyon. He was returning from Pompano, where he has been working in the vegetable markets and sales. He had to stop by Pahokee to attend to some business before going on to Belle Glade. Apparently he fell asleep at the wheel and the car crossed the road and hit the concrete bridge which it was wrecked. After he regained consciousness he was able to get out of the car and stop a passing motorist who gave him a lift to his home.

Stitches were needed to close the deep cuts in his head, face and legs. It will be several days yet before he will be able to be out and back at work. The car is a total loss.

Alton Jones served as an usher at the Billy Graham Rally Monday Night in Clewiston.

Boca Raton Soon To Have Interchange

TAMPA — John M. Hammer, chairman of the Florida State Turnpike Authority, said today that the new Boca Raton Interchange on the Sunshine State Parkway now is more than 65 per cent complete.

Hammer said construction on the \$313,276 project started in October, 1960, and is expected to be completed by May 1st.

The new interchange will give North Broward County and South Palm Beach County motorists a new access to the Parkway, Hammer said.

Parkway revenues are expected to increase accordingly, he added. The interchange, being constructed by Dickerson, Inc., of Stuart, Florida, is 32 miles from the southern terminus of the turnpike at Miami. It will be connected to the Boca Raton Road (SR 806).
